

FAMILY DOCTOR'S GOOD ADVICE

To Go On Taking "Fruit-a-lives" Because They Did Her Good

Rochester, Jan. 14th, 1915.
"I suffered for many years with terrible indigestion and constipation. I had frequent dizzy spells and became greatly run down. A neighbor advised me to try 'Fruit-a-lives'. I did so and to the surprise of my doctor, I began to improve, and he advised me to go on with 'Fruit-a-lives'.
"I consider that I owe my life to 'Fruit-a-lives' and I want to say to those who suffer from indigestion, constipation or headache—try Fruit-a-lives and you will get well".

News at the Town and Village Told Briefly for Busy Readers

Watch out for Thursday's special at Harte theatre.
There will be two Pathe News pictures shown at Harte theatre today.
Robber beats for men, women and children. Prices the lowest, quality the best at the New York Store.
Carlisle Blackwell and June Elvidge in "The Social Leper" a Brady-made World picture in five acts at Harte theatre today.
Anita Stewart in a Viagravon special "The Message of a Mouse" and Wm. Duncan and Carol Holloway in "Vengeance and the Woman" at Harte theatre tomorrow.
A good sized audience was present at a school hall last evening to see the stereopticon pictures of the story, France. Some of the pictures were taken before the German invasion and others after the village had been the scene of much fighting and had been practically destroyed. Miss Jennie A. Valentine read a letter description of the village and told of the plans of the U. S. A. to reconstruct homes and buy domestic animals for the inhabitants. The local U. S. A. boys raised their appointment of 10 cents per member.

BOSCHER'S GERMAN SYRUP.

Why use ordinary cough remedies, when Boscher's German Syrup has been used so successfully for fifty-two years in all parts of the United States for coughs, bronchitis, colds settled in the throat, especially lung troubles. It gives the patient a long night's rest, free from coughing, with easy expectoration in the morning. Gives nature a chance to soothe the inflamed parts, throw off the disease, leaving the patient to regain his health. Sold by William L. Gokley.

TAKES PLACE OF GASOLINE

Mixture of Alcohol and Benzol Has Been Found to Be a Satisfactory Substitute.

The high cost of gasoline is becoming such a problem that governments and scientists all over the world have attempted to find a substitute. In Germany, where gasoline is almost unobtainable, it is understood that a new mixture of alcohol and benzol has proved satisfactory. A writer in the Scientific American gives the following table as an indication of the results achieved:

With one part benzol and one part alcohol a touring car equipped with an ordinary motor made 42 miles an hour and ran a distance of 4.00 miles upon one pint of the fuel. With one part benzol and two parts alcohol the speed was 41 miles and the distance covered 4.47 miles. This showed down to 26 miles an hour and 3.72 miles on a mixture of one part benzol and five parts alcohol.

The same car, equipped with pure benzol, acquired a speed of 42 miles an hour and ran a distance of 3.72 upon one pint of fuel. With pure gasoline it made 44 miles an hour, running 2.00 miles.

Alcohol is easily obtainable, and benzol in large quantities is now being distilled in both the United States and Germany from coal tar. So the mixture, as worked out by the Germans, can be had cheaper than gasoline, and the results are almost as good. In the case of Germany, the country has been a boon of incalculable value.
